

TNT Tennis Guidelines Spring 2021

Welcome to a new season and some much needed mental and physical health activity.

TNT play will start on January 28, 2021. There are 10 teams in RED, 12 teams in WHITE, and 10 teams in BLUE.

1. Please submit your final roster to Libby Flint, our secretary Maria Borgognoni, and your scorer **before** play starts on 1/28/21
2. Substitution Rules are as stated in the By-laws. Line rostered players may only play up or down one line. No line rostered team may play another line together but they may play separately up one line or down one line. No doubles team may play together twice in one night.
3. Stern and Xavier are not available to TNT this season. City Park has reduced the number of courts and requires payment by the host team up front on each match night. TNT will play at UNO but only if at least 3 teams host matches on a given night.
4. English Turn has offered courts if your team needs a place. Contact the English Turn Captain.
5. Bayou Wild Swings may be able to play out of the Hilton instead of Terrytown. Check with the Captain on match week.
6. Please arrive at all venues at 6:30 pm and be prepared to start play for lines 1 and 3 at 6:45 pm. Lines 2 and 4 will play to follow with a default time of 8:05 if courts are available to play on. Please note that City Park is asking for play to finish by 10 pm. Team Captains may arrange with their opponents to play all lines early if doable BUT both teams must be in agreement about this. Host team captains should verify place and time with their opponents by Monday night.
7. Some of the venues such as City Park and Metairie C.C. are not allowing food and alcohol to be brought in and shared. We ask that host teams have individual water available for the visiting teams but hosts are not expected to provide food. If your venue allows, you may provide other food and beverages but please package it individually or provide disposable utensils and cleaning wipes to prevent the spread of Covid. Please act responsibly so we can continue to play.
8. Updated contact lists will be distributed shortly. Please check the website at www.thursdaynighttennis.com for rules, tie breaker procedures, and other information.
9. Thank you to our Board Members:
